

NEW Cardale Berry - now known as "Merlin"

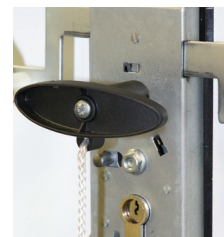

As a loyal customer who has bought the Berry for many years, you will be interested to see the changes we are making to this contract type door.

As you are already aware we have never included the Cardale Berry in any of our product brochures, we think this is of great benefit to our customers. We hope you do too!

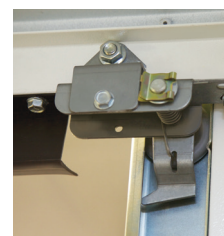

Galvanised torsion spring.
Lateral cable pulley.

2-point cable locking as standard.

Internal side of steel fixing frame includes a contact ABS strip.

Anti drop mechanism.
Large spindle roller.
Spindle roller bracket has a reinforcement bracket to stop excessive movement.

Specification:

- Chassis based construction
- New Canopy lifting gear
- 54mm frame for all framed doors
- 2 point cable locking
- Cardale handle

Merlin will be supplied from November 2014 onwards. For more information please contact your regional sales manager or customer service on 01582 563777
